

BY DEPUTY CLERK

NO. 08-426-RET-DLD

I am currently being subjected to ongoing and continuing violations of my Constitutional rights, Federal statutes, and being subjected to defendants own state created danger causing irreparable harm. I have twice attempted to arrive at court in time to file motions for injunctions; however, due to my limited state of capacity and functioning, I arrived too late each time. I did send drafts of the injunctions that I had prepared to defendants each time.

Defendants at all times have been on notice that their continuing actions have caused me further incapacitating mental, emotional, and physical harm. Defendants are also aware that I have disclosed defendants' misconduct to a media contact and to law enforcement.

Additionally, I will need to file an amended complaint prior to service to delineate fully all of defendants actions.

Respectfully submitted,

By:  _____
